Weekly Themes

Each week's activities are structured around our weekly theme. These activities are chosen with each age group in mind. The weekly themes allow campers to explore different areas through hands-on activities, related crafts, and fun, yet educational presentations.

Daily Clubs

Each week has a variety of clubs related to that week's theme. These clubs are usually based on 4 major interests: Sports/Physical Activity, Arts & Crafts, Designing and Building, and Grab Bag (Science, Chess/Games, Food Creation, etc.) Each small group chooses clubs that fit their interests. The activities within these clubs change every day.

Age Groups

Each week, your child will be part of a small group of 6-10 children and 1-2 staff members. The same staff will be dedicated to each group for the duration of the week. This allows them to build relationships throughout the week, work as a team, and customize their daily activities based on the group's interests!

Experienced and Caring Staff

We take pride in our exceptional staff, many of whom have extensive child care experience and have been working at the Kids' League many years. As a staff, we highly value each child. We strive to give them the outstanding and nurturing care that they deserve as individuals. The Kids' League is fully licensed by the state of Massachusetts.

Field Trips and Beach Trips

We are planning on having weekly beach trips and field trips or special guests. There is opportunity for swimming, sand castles, playground and hiking. This is dependant on the covid regulations per town and state. **Safety and health are our top priorities.**
